**Strike Guidelines**

In the event we go on Strike against AT&T on Saturday April 11<sup>th</sup> 2015, 11:59 pm, The President will be notified by the National Union.

He will then notify the members of the Executive Board who in turn notify the stewards. All stewards will notify their members at their location. Any member already on our email list will be notified immediately.

Please advise all members that they can sign up for email notifications via website <http://cwalocal1150.org/> and or by downloading our free CWA local 1150 App.

Once we go on Strike all members must report to their current work location at their shift tour for Picket Duty. Members will walk the picket line for the first work week at their shift tour; on the 2<sup>nd</sup> week of strike we will have picket assignments for each member.

After the 15<sup>th</sup> day of the strike the "Member Relief Fund" will kick in; it will be \$200 per member and then increase to \$300 per member on the 29<sup>th</sup> day of the strike.

This Benefit will only be for those who perform picket duties. All members should remove their personal items from their work location and take it home this Friday April 10<sup>th</sup> 2015.
